INTERSHIP EXPERIENCE

Summer Internship: Bánki Donát

July 2024 – August 2024
July 2023 – August 2023

During the summer internship, I tried to learn the professional knowledge required for the profession.
I am motivated especially by challenges and when I have to make decisions on my own.
I can work both in a team and independently.
If needed, I'm not afraid to ask for help.
I carry out tasks precisely and like to pay attention to details.
I complete tasks step by step.
I am able to share knowledge and improve others as well through this.

FIELD OF INTERERENCE

I participated in academic competitions (Mathematics)
I was an active member of the student council
I have participated in organizing sports events
I have taken part in community service tasks
